Acceptable Use Policy (AUP)

1. **General Policy:** Wanderport Networks Inc (Hereafter WNI) reserves the right at its sole discretion to deny or restrict your Service, or immediately to suspend or terminate your Service, if the use of your Service by you or anyone using it, at our sole discretion, violates the Agreement or other WNI policies, is objectionable or unlawful, interferes with the functioning or use of the Internet or the WNI network by WNI or other users, or violates the terms of this Acceptable Use Policy ("AUP").
2. **Specific Examples of AUP Violations.** The following are examples of conduct which may lead to termination of your Service. Without limiting the general policy in Section 1, it is a violation of the Agreement and this AUP to: (a) access without permission or right the accounts or computer systems of others, to spoof the URL, DNS or IP addresses of WNI or any other entity, or to penetrate the security measures of WNI or any other person's computer system, or to attempt any of the foregoing; (b) transmit uninvited communications, data or information, or engage in other similar activities, including without limitation, "spamming", "flaming" or denial of service attacks; (c) intercept, interfere with or redirect email or other transmissions sent by or to others; (d) introduce viruses, worms, harmful code or Trojan horses on the Internet; (e) engage in conduct that is defamatory, fraudulent, obscene or deceptive; (f) violate WNI's or any third party's copyright, trademark, proprietary or other intellectual property rights; (g) engage in any conduct harmful to the WNI network, the Internet generally or other Internet users; (h) generate excessive amounts of Internet traffic; (i) use the Service to violate any rule, policy or guideline of WNI; or (j) use the service in any fashion for the transmission or dissemination of images containing child pornography or in a manner that is obscene, sexually explicit, cruel or racist in nature or which espouses, promotes or incites bigotry, hatred or racism.
3. **Copyright Infringement/Repeat Infringer Policy.** WNI respects the intellectual property rights of third parties. Accordingly, you may not store any material or use WNI's systems or servers in any manner that constitutes an infringement of third party intellectual property rights, included under US copyright law. In accordance with the Digital Millennium Copyright Act (DMCA) and other applicable laws, it is the policy of WNI to suspend or terminate, in appropriate circumstances, the Service provided to any subscriber or account holder who is deemed to infringe third party intellectual property rights, including repeat infringers of copyrights. In addition, WNI expressly reserves the right to suspend, terminate or take other interim action regarding the Service of any Subscriber or account holder if WNI, in its sole judgment, believes that circumstances relating to an infringement of third party intellectual property rights warrant such action. These policies are in addition to and do not affect or modify any other rights WNI may have under law or contract.
4. WNI may, but is not required to, monitor your compliance, or the compliance of other subscribers, with the terms, conditions or policies of this Agreement and AUP. You acknowledge that WNI shall have the right, but not the obligation, to pre-screen, refuse, move or remove any content available on the Service, including but not limited to content that violates the law or this Agreement.
